Colonel H. K. Gilbert
Deputy for Science and Components
Air Technical Intelligence Center, AFMIL-424
United States Air Force
Wright-Patterson Air Force Base, Ohio

Dear Colonel Gilbert:

Following an unavoidable delay in the scheduling of a briefing to the Operations Coordinating Board, I was unable to hold to my 24-26 November schedule to Columbus and Dayton. After consulting with Major William Best, AFMIL-424, it was agreed to defer the visit to [REDACTED] 16 December and the briefing at ATIC to 17 December 1958.
